floorboards 

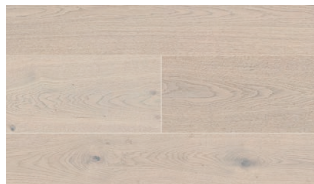

Genuine Oak

Genuine Oak Engineered flooring features quality construction, an ultra matte finish completed with a 7-coat Treffert Lacquer system, subtle brush texture, and tongue & groove locking system. Genuine Oak offers a more sustainable board option than solid timber flooring due to the innovative layered manufacturing process that requires less wood. Available in three different plank sizes in a wide range of high-quality pre-finished colour stains to choose from.

About Floorboards

Floorboards is a family owned, independent business run by a small team of hard surface flooring specialists. We proudly supply and install flooring from reputable brands in homes across the Waikato and the Bay of Plenty.

Since 2004, we've been helping homeowners, builders, and designers create stunning interiors with timber, laminate, cork, and other hard flooring solutions. Our team provides personalised guidance to help you choose flooring that perfectly balances function, style, and beauty. We'll work closely with you to ensure your new floor perfectly matches your tastes and budget.

Talk to our team at your nearest Floorboards showroom in Hamilton or Tauranga about your new home build or home renovation project. Come and view larger flooring samples or ask us for a free measure and quote. You can email your house plans to info@floorboards.co.nz or upload them directly on our website at floorboards.co.nz
