Gotland

Enhance the beauty of any room with the Gotland collection of genuine European Oak floors, featuring long, wide planks with authentic timber knots and wood grains.

Gotland oak flooring is protected by seven layers of high-quality lacquer, making them extra resistant to wear and scratches. At the same time, StayClean Technology helps to keep your new floor looking young by offering extra resistance to liquids and spills and helps to prevent dirt from getting into the joints and wood texture.

About Floorboards

For over two decades, we've supplied and installed hard surface flooring to homes across the Waikato and Bay of Plenty. We've helped countless homeowners, builders and designers to create beautiful interiors with timbers, laminates, corks, and specialist flooring solutions.

Our difference is the personal touch and the attention to detail. We'll work with you to choose a floor that suits your décor, budget, tastes, and the kind of lifestyle that you're going to throw at it. You deserve the right floor, so we'll go the extra mile to understand your needs and get you the right combination of function, style, and beauty.

Proudly locally owned, independent, and operated by a close-knit team of passionate experts, Floorboards are ready to help you create an interior space to love with beautiful flooring.
