Genuine Oak

Genuine Oak Engineered flooring features quality construction, an ultra matte finish completed with a 7-coat Treffert Lacquer system, subtle brush texture, and tongue & groove locking system. Genuine Oak offers a more sustainable board option than solid timber flooring due to the innovative layered manufacturing process that requires less wood. Available in three different plank sizes in a wide range of high-quality pre-finished colour stains to choose from.

About us

Floorboards is a family-owned, independent business run by a small team of hard surface flooring specialists. We proudly supply and install flooring from reputable brands in homes across the Waikato and Bay of Plenty.

Since 2004, we've been helping homeowners, builders, and designers create stunning interiors with a wide range of timbers, laminates, cork and other hard surface flooring solutions. We provide personalised guidance to help you select a floor that perfectly balances your tastes, lifestyle and budget.

If you're planning a new home or renovation, contact your nearest Floorboards showroom in Hamilton or Tauranga to view samples and discuss the options best suited for you and your project. Ask us for a free in-home measure and quote, or email your house plans to info@floorboards.co.nz
